The time in use at Lafayette will be Central Daylight Saving Time.

Purdue University is situated in West Lafayette between highways U.S. 231 - U.S. 52 and Indiana 26. The Union is on the corner of State and Grant Streets.

The Luncheon will be held in the cafeteria. There will be no fixed menu or price. Each will make his own selection at the serving counter and pay the cashier. Prices are reasonable, and the cost per person will probably be notably less than for a fixed-menu, served luncheon. Advance reservations are unnecessary. Special tables will be reserved for our group.

The business meeting will be held immediately after the luncheon (about 1:15) in the adjoining Coffee Shop Lounge.

Those who wish to arrive the evening before may find accommodations at the Union (though this may be found already filled), at the Fowler Hotel in the City, or at the Morris-Bryant Motel on U.S. 52 north of the City.
